ABOUT ME

I aim to enhance web development position to apply academic knowledge in practical projects. I want to contribute to innovative web solutions while enhancing technical skills.

TECHNICAL SKILLS

- Web development (HTML, CSS & TAILWIND)
- Microsoft Power BI
- Microsoft Excel
- Microsoft Word

SOFT SKILLS

- Team Work
- Leadership Time
- Management

INTERNSHIP

PRODIGY INFOTECH, MUMBAI (WEB DEVELOPMENT)

1 July 2024 - 31 July 2024

- Developed user interfaces based on wireframes and design specifications using HTML and CSS, ensuring a clean and user friendly layout.

EDUNET FOUNDATION (WEB DEVELOPMENT)

21 Aug 2025 - 30 Sept 2025

- Built a Movie Review Website using HTML, CSS, and JavaScript with interactive rating features

PROJECT

Network Traffic Analysis using Power BI

- Performed network traffic data cleaning, validation, and analysis using Microsoft Excel by handling duplicates, missing values, and creating Pivot Table reports. Developed interactive Power BI dashboards to visualize traffic trends, protocol distribution, IP activities, and performance metrics, enabling effective network monitoring and data-driven insights.

Query logs Analysis

- Developed interactive Power BI dashboards to analyze query execution patterns, user activity, and database performance trends. Created dynamic visualizations, filters, and reports to identify slow queries, monitor system usage, and generate actionable insights.

EDUCATION

Bachelor of Arts (BCA)

2023 - 2026

SHANKARLAL SUNDARBAI SHASUN JAIN COLLEGE FOR
WOMEN

Aggregate percentage- 62% (till semester 5)
